PARENT HANDBOOK

Welcome to Jadasha International Academy

We are delighted to have you as part of our growing school community. At Jadasha, we believe that every child has the ability to learn, grow, discover their strengths and develop into a confident and responsible individual.

Our goal is to provide a structured, engaging and supportive learning environment where children can receive quality education while developing the skills, character and confidence they need for the future.

As a parent, you are an important part of this journey. We look forward to working together to give your child a meaningful and rewarding educational experience.

1. ABOUT JADASHA INTERNATIONAL ACADEMY

Jadasha International Academy is an online learning community providing structured education for children in a supportive and engaging environment.

Our learning experience combines academic instruction with creativity, practical activities, digital skills, character development and opportunities for students to discover their interests.

We want our students to do more than pass examinations. We want them to understand what they learn, develop confidence, think independently and become lifelong learners.

2. OUR APPROACH TO LEARNING

At Jadasha, learning is designed to be interactive and purposeful.

Students are expected to attend their lessons, participate in class, ask questions, complete assignments and take part in appropriate school activities.

Our teachers guide students through their learning while encouraging them to think, explore, solve problems and express their ideas.

Because we are an online academy, we also place importance on helping students become responsible and independent learners.

3. ONLINE LEARNING

Students will participate in scheduled online classes using the platforms provided by the Academy.

Parents are encouraged to ensure that their child has:

- ❖ A suitable learning device.
- ❖ A reliable internet connection.
- ❖ A quiet and appropriate place to learn.
- ❖ The necessary applications or software installed.
- ❖ Access to the child's school materials.

- ❖ Students should join classes on time and be prepared before the lesson begins.
- ❖ Where technical difficulties occur, parents should communicate with the Academy as soon as possible.

4. ATTENDANCE & PUNCTUALITY

Regular attendance is important to a child's progress.

Students are expected to attend their scheduled classes and activities consistently and arrive on time.

If a student is unable to attend a class, the parent or guardian should notify the Academy as soon as possible.

Repeated absence or lateness may affect a student's learning and participation.

5. ASSIGNMENTS & ASSESSMENT

Students will receive assignments, class activities, projects and assessments appropriate to their age and level.

Parents are encouraged to support their children by providing the time and environment needed to complete their work.

However, assignments should be completed by the student.

Our aim is to help children develop confidence, independence and responsibility in their learning.

6. COMMUNICATION WITH PARENTS

We believe good communication between the school and parents is essential.

Important information may be communicated through the official channels provided by Jadasha International Academy.

Parents should ensure that their contact information remains accurate and that they regularly check official school communications.

If you have a question, concern or difficulty relating to your child's education, please contact the Academy rather than allowing the issue to continue unresolved.

We are committed to listening and responding appropriately.

7. STUDENT CONDUCT

Students are expected to treat teachers, classmates and other members of the Jadasha community with respect.

During online classes, students should:

- ❖ Listen when others are speaking.
- ❖ Use respectful language.
- ❖ Participate appropriately.
- ❖ Follow their teacher's instructions.

- ❖ Avoid disrupting lessons.
- ❖ Use school technology responsibly.
- ❖ Students are expected to demonstrate honesty, kindness, responsibility and good character both inside and outside the classroom.

8. PARENT PARTNERSHIP

Parents play an important role in helping children succeed.

We ask parents to support their child's education by:

- ❖ Ensuring regular attendance and punctuality.
- ❖ Providing a suitable environment for learning.
- ❖ Encouraging completion of assignments and school activities.
- ❖ Maintaining communication with the Academy.
- ❖ Encouraging responsible and respectful behaviour.
- ❖ You do not have to teach every lesson yourself. Your role is to provide support, encouragement and the structure your child needs to learn well.

9. STUDENT LIFE

Payment information, payment methods and applicable deadlines will be provided by the Academy.

Parents should keep records of their payments and contact the school promptly if they have questions concerning fees or payment confirmation.

If your child is struggling academically, having difficulty participating, experiencing technical challenges or facing another concern, please communicate with us.

Early communication allows us to understand the situation and provide appropriate support.

OUR COMMITMENT TO YOUR CHILD

At Jadasha International Academy, we are committed to creating a learning environment where children can learn with confidence, discover their abilities and grow into responsible young people.

We are excited to welcome your family into the Jadasha community.
