

JADASHA INTERNATIONAL ACADEMY

ACADEMIC CALENDAR 2027

OUR ACADEMIC YEAR

School Resumption

Monday, 18 January 2027

Jadasha International Academy operates as an online school, so our academic calendar is designed around continuous learning, scheduled lessons and important school activities, rather than a traditional physical-school calendar.

IMPORTANT SCHOOL BREAKS

The Academy will announce periods when regular lessons will be suspended. Parents and students will receive advance notice of any official school closure or extended break.

ACADEMIC ACTIVITIES

Throughout the academic year, students will participate in:

Regular Online Lessons

Assignments & Projects

Assessments

Student Challenges

Clubs & Student Life Activities

Academic Competitions

Special School Events

Student Recognition & Awards

PARENT & SCHOOL ENGAGEMENT

Parents will receive important announcements, academic updates, activity information and other notices through the official Jadasha communication channels.

PLEASE NOTE

As an online academy, Jadasha International Academy maintains a flexible academic calendar. Specific dates for assessments, examinations, activities, special programmes and school breaks will be communicated to parents as they are scheduled.

The Academy reserves the right to make reasonable adjustments to the calendar when necessary.

WELCOME TO THE 2027 ACADEMIC YEAR

Learn. Create. Explore. Connect. Become.

One important date correction: January 18, 2026 was a Sunday. If you mean the upcoming Monday, the correct date is Monday, January 18, 2027. I have prepared the calendar using 2027.
