PARENT & STUDENT RESPONSIBILITIES

WORKING TOGETHER FOR A SUCCESSFUL LEARNING EXPERIENCE

A successful learning experience requires cooperation between the student, parent and Academy. Each has an important role to play.

STUDENT RESPONSIBILITIES

Students are expected to:

- ❖ Attend classes regularly and arrive on time.
- ❖ Participate actively in lessons and school activities.
- ❖ Complete and submit assignments on time.
- ❖ Treat teachers and other students with respect.
- ❖ Take responsibility for their learning, behaviour and school materials.

PARENT RESPONSIBILITIES

Parents and guardians are expected to:

- ❖ Ensure their child attends scheduled classes regularly and on time.
- ❖ Provide a suitable learning environment, device and reliable internet connection.
- ❖ Encourage their child to complete assignments and participate in school activities.
- ❖ Maintain respectful and timely communication with the Academy.
- ❖ Ensure all school fees and agreed payments are made by the required deadlines.

COMMUNICATION

Parents should communicate with the Academy whenever their child experiences academic, technical or other difficulties that may affect learning.

The Academy will provide official communication channels for parents and guardians.

Parents should ensure that their contact information remains current.

SUPPORTING YOUR CHILD

Parents are encouraged to support their child's learning without doing the child's work for them.

Ask questions. Encourage effort. Celebrate progress. Help your child develop good learning habits and confidence.

Parents are responsible for providing the support, resources and cooperation necessary for their child's participation.
